## CAMPAIGN CORNER

What is a home visitor?

Why say yes to being a home visitor when you get asked?

In the next few weeks, you will be receiving a phone call asking you to be a home visitor for the capital campaign. Please say yes!

A home visitor will be assigned no more than 5 parish families to drop a packet off at their home and pick up a completed packet over a one-week period - it should take you no more than a couple of hours. You will not have to ask for money, you will not have to answer questions on the project. Your 5 home visits will be close in proximity.

As a home visitor you will have the opportunity to possibly meet some new fellow St. Peter parishioners. You will have the opportunity to reach out to fellow parishioners and help them feel more connected or reconnect to our parish. You will be an ambassador for our parish.

We will hold a brief training, answer any questions you have, and give you your home visit assignments. You will play a key role in the success of the campaign to renovate our church, help our Diocese, and strengthen our parish community.

Parishioners - be ready to receive your phone call to be a home visitor during the month of August to assist in the capital campaign. Please be open and willing to be a part of this effort to grow our parish.

If you haven't received a call and are willing to help, please call the parish office - we'd welcome your time!

Please keep the project and the many volunteers in your prayers.
