CAMPAIGN CORNER

Why are we conducting a capital campaign?

Over 30 years ago, it was decided to build a new church to meet the growing needs of St. Peter. Those parishioners gave their time and financial support to build the church we are in today. Like generations before them, they recognized it was time for them to continue the legacy of providing a worship space necessary to gather as a parish family and to grow in our Catholic faith.

Now it is our turn to continue this legacy. This capital campaign will provide funds to enhance and renovate our church. Included in the plan are new flooring, updated pews, new paint, an updated sound system, and ADA compliant confessionals. We also hope to renovate the gathering spaces, sacristy, sanctuary furniture, adoration chapel, update the organ and add pendant lighting. This will require a gift above and beyond our regular tithe from our entire parish community.

Just like our own homes, after 30 years, renovations and enhancements need to be done – our church home is no different. Now is the perfect time for the campaign to beautify and enhance our church in conjunction with the diocesan campaign.

We greatly appreciate your continued prayers, passion and commitment to St. Peter's along with your financial gift when you receive your campaign packet the weekend of September 21st. The generations before us created the campus we have today; it is now our turn to steward and maintain our campus for today and for future generations. Together we can make it happen!
