CAMPAIGN CORNER

Due to the fact that the renovation plans for the church are not complete, and with the question of the addition of the parish hall in the campaign, **we are delaying the campaign kick off until Spring of 2026.** This will give us time to gather feedback on the parish hall, acquire designs and cost estimates, and hold a successful campaign. This additional time will allow the parish leadership to determine if combining phase I and phase II into one capital campaign is feasible.

Over the next several months, we plan to have more information sessions and opportunities for feedback from the parish. Thank you for your prayers, support, input, and patience. It is all appreciated as we work together to make St. Peter's the best it can be for us today and for future generations.
