CAMPAIGN CORNER

Parish Leadership continues to work on the church renovation project and plans for a parish hall. Details will be announced in the upcoming months as we gather more information on these plans. In addition, the fire hydrants continues to make progress with a projected start date in mid-2026.

For parishioners who would like to make gifts to the campaign in 2025, this can still be done even though the campaign has been delayed until spring of 2026. A fund has been set up for these gifts and will be included in the campaign totals. Funds will be set aside specifically for the identified campaign projects and invested until they are needed. Gifts may be cash, check or credit card; appreciated assets to include stocks, bonds; commodities or personal property, real estate, life insurance, or IRA distributions. Please be sure to mark your gift *Living Stones Campaign* so we can add it to the correct fund. Please contact the office if you have questions on options to make a gift.

We greatly appreciate your continued support as we all work to enhance our parish for our current parish members and future generations to come. Together we will make it happen!
