CAMPAIGN CORNER

As the year winds down and we begin the season of Advent, it is a time of year for reflection, preparation, and gratitude. At St. Peter's we have much to be thankful for as we approach the celebration of Christmas. The new liturgical year brings much excitement as we continue to work on the plans for the church renovation and parish hall. Parish leadership is currently evaluating our current needs and wants along with how to best serve our community for today and in the future.

More information will be coming as we continue to gather ideas and insight to finalize plans. For parishioners who had planned to make gifts to the Living Stones campaign in 2025, this can still be done even though the campaign has been delayed until spring of 2026. A fund has been set up for our capital campaign, and any gifts designated for it will be counted towards your commitment and the project. As you consider your year-end giving, know there are different ways to give with potential tax advantages, depending on your personal situation. If you have any questions on giving options, please contact the parish office.

We greatly appreciate your continued interest and support as we strive to glorify our Lord with our parish campus enhancements. Together we will make it happen!
