CAMPAIGN CORNER

At this time we reflect back on this past year, while also anticipating our future and what lies ahead. 2025 has been quite the year for our parish and 2026 will be equally exciting as we continue to work on the plans for our parish campus. Parish leadership is continuing to evaluate our current needs and wants along with how to best serve our community for today and in the future.

More information will be coming as we continue to gather ideas and insights to finalize plans. For parishioners who had planned to make gifts to the Living Stones campaign in 2025, this can still be done even though the campaign has been delayed until spring 2026. **Due to the One Big Beautiful Bill, some of the charitable giving tax advantages may be less in 2026 than in past years. For some, it may be more tax advantageous to give in 2025 than in 2026.** Please discuss with your accountant to see if the new tax changes affect you. An interest earning funds has been set up for our capital campaign, and any gifts designated for it will be counted towards your commitment and the project. If you have any questions on giving options, please contact the parish office.

We also welcome contributions from friends of the parish who may be here visiting during the Christmas season! Please mark your gift "Living Stones Campaign" so we place it in the appropriate fund.

We greatly appreciate everyone's continued interest and support as we strive to glorify the Lord with our parish campus enhancements. Together we will make it happen!
