As the new year begins, we have so much to look forward to at St. Peter's in 2026. We have had some early pledges and support to our Living Stones campaign and **parish leadership has officially decided to go forward with the addition of a parish hall to our campus!** Several committees have been meeting, discussing and planning the addition of a metal storage building, the church renovation and a new parish hall to our campus over the last few months. As soon as we have renderings, we will update the parish on all of the exciting happenings to come!

We have had several parish families make contributions to the campaign and we thank each of you for your early support! Anyone interested in making a contribution is able to, even though we have not officially kicked off the campaign. Please mark your contribution, Living Stones campaign, so that the funds get allocated to the appropriate account.

We greatly appreciate your continued interest and support as we strive to glorify our Lord with our campus updates here at St. Peter's. Together we will make it happen!
