## CAMPAIGN CORNER

It has been a busy 2026 for our committees working on plans for renovations and additions to our parish campus. Currently the church renovation, a new parish hall, and a storage building are being designed with parish needs and wants in consideration. We are thankful to all who have provided their insight and suggestions. These improvements aim to make our parish more welcoming, efficient, and appropriate for both parish worship and activities.

We have had several parish families make contributions to the campaign and we thank each of you for your early commitment! Your continued interest and support is greatly appreciated as we strive to glorify our Lord with our campus updates here at St. Peter. Together we will make it happen!
